January 2012

Dear Potential Sponsor:

The Lake Shore Central School District's Senior High Bands will be bringing the internationally renowned **Dallas Brass** to Lake Shore High School Auditorium in concert at 7pm on Wednesday, February 29, 2012.

The performance will feature Lake Shore Middle School and High School band students in performance with this acclaimed ensemble. The students will have a busy day filled with activities, workshops, and rehearsals with the Dallas Brass in preparation for the evening's performance. This is an unbelievable opportunity and will surely be a great experience for our students!

The Dallas Brass has played with premiere orchestras and at venues such as Carnegie Hall and the John F. Kennedy Center in Washington, D.C. The band also has traveled showcasing their music around the world. It has performed for presidents and shared the stage with Bob Hope and members of CBS' "The Early Show," and has released six professional recordings.

The group has published two books of original small ensemble music for middle school and high school students. Inviting students to join them in concert for a selection has become a Dallas Brass trademark.

We are looking for support from area businesses and individuals to provide funds to make this event possible for our students. As a sponsor, your company or personal information will be included in our program and on student t-shirts worn the day that they are playing and performing with the Dallas Brass. These shirts will also provide each student with a memento of this great event and concert.

The following sponsorship levels are available:

Platinum Level Sponsorship	\$200
Gold Level Sponsorship	\$100
Silver Level Sponsorship	\$75
Bronze Level Sponsorship	\$50
Friends & Family Sponsorship	\$15
